## OVERVIEW

---

## Purpose /Acceptable Uses

The purpose of the purchasing/travel card program is to establish an efficient, cost effective method of purchasing and paying for select transactions. The Credit Card will mainly be used for pre-authorized travel expenditures and select other approved expenditures, such as on-line ordering when a purchase order cannot be used. It can be used with vendors who can provide itemized receipts that will accept MasterCard or American Express as a form of payment.

**The PISD *Credit Card* is not intended to avoid or bypass appropriate purchasing or payment procedures due to time constraints but to complement the existing processes available. It is to be used for PISD business purchases only. The purchase of personal items is prohibited and in violation of Board Policy.**

All card users should review these procedures manual and shall be required to sign a cardholder User Agreement.

## Purchasing/Payment Guidelines

The Credit Card is not intended to avoid or bypass appropriate purchasing or payment procedures as outlined in Board Policy and the PISD Fiscal Policy & Procedures Manual. This program complements the existing processes available. The Credit Card is to be used for District business only. No expenses for non-employees may be charged to the Credit Card. Personal purchases will be considered misappropriation of district funds, which constitutes a criminal offense and must be referred to the PISD Superintendent.

## Purchasing & Documentation

All purchases must first be approved via a purchase order and/or an approved travel request form in Eduphoria. Once the purchase or travel has been completed, it is each cardholder's responsibility to submit the required receipts to the Business Office within five school/business days of purchase/travel. Original receipts or fast scanner app. are allowed on any Credit Card documentation. The PISD Business Office will retain all Credit Card documentation for 7 years.

## Audit/Review

Every PISD Credit Card purchase is subject to review and verification by Business Office personnel at any time.

## Credit Card Security

The Credit Card should always be treated with at least the same level of care that one would treat their own personal credit card. Keep your Credit Card in an accessible but secure location. Guard the Credit Card account number and PIN (if any) carefully. Making copies of the card or capturing the card number is strictly prohibited. Do not leave the card in your desk or in any other place that is easily accessible by others. All credit cards will be kept at the campuses. Cards will be checked out at the campus office a day before your purchase/travel occurs.

## Eligibility

You must be a PISD employee or authorized person to participate at any level. The **Credit Card** is primarily designed for travel costs and department supervisors who purchase goods or services on behalf of the District. Eligible card users must complete the cardholder User Agreement and obtain the appropriate approvals for card use. Temporary and probationary employees will not be issued a card. Volunteers and students are not allowed to possess, use or handle the **Credit Card** at any time. Nor should cardholders allow the use of their card by anyone else.

**NOTE: By accepting the Credit Card, the Cardholder assumes responsibility for the Credit Card.**

## PURCHASING

---

In regards to the acquisition of goods and services, PISD Board Policy states:

The Board shall assume responsibility for debts incurred in the name of the District so long as those debts are for purchases made in accordance with adopted Board policy and current administrative procedures. *The Board shall not be responsible for debts incurred by persons or organizations not directly under Board control.* Persons making unauthorized purchases shall assume full responsibility for all such debts.

All purchase commitments shall be made by the Superintendent or designee on a properly drawn and issued purchase order, in accordance with administrative procedures.

To secure approval of the Credit Card, the following steps should be followed. The Campus Purchasing Secretary will enter the requisitions with the exception to Ag.

1. In TxEIS, enter a requisition for the Credit Card that will be used to obtain approval of the items being requested. For example, if you are requesting to use the Peaster ISD Visa credit card, enter “VISA” as the vendor.
2. Enter the reason the card will be used at in the “Reason” section. In the Catalog Number, enter the person’s first initial and last name of the employees card that needs to be loaded. In the long description enter the date that the card needs to be loaded. In the following line items, enter the items to be purchased.
3. If you plan to use the Credit Card at multiple locations, a requisition for each location must be approved.
4. Upon approval of the requisition, the employee will be issued a Credit Card to use in procuring the items.
5. The employee will also be given a Tax-Exempt form for the purchase. It is imperative that Credit Card users **do not allow tax to be charged to the Credit Card.** If tax is charged to the card, it will be automatically deducted from your paycheck.
6. Once the items are purchased, return the Credit Card to the Campus Office. All receipts to the Business office are due within five school/business days of purchase/travel. All receipts must have the purchase order number written on them.

## RECEIPTS

---

Itemized receipts are required for all transactions regardless of fund or vendor. An “Itemized” receipt requires all of the following pieces of information as shown below:

- The number of items purchased with specific descriptions (i.e. “gen. mdse”, “misc.”, or “tax exempt item” are not adequate descriptions)
- The price for each item purchased must be provided, along with subtotal, tax exemption, and total.
- The vendor’s name must appear imprinted or stamped on all receipts. Adding machine tape with handwritten item descriptions is not an itemized receipt and will NOT be accepted.

Do not use a highlighter over any writing on receipts. Highlighters will completely black out writing on some receipt paper.

Receipts for credits back to the card are also required and must be itemized and signed by the cardholder.

**Lost receipts are not an option.** If a receipt is lost (whether for a purchase or credit), the cardholder must obtain a duplicate from the Vendor. If a receipt is not obtained, the cardholder **MUST** reimburse the district for any charges that will appear on the credit card.
